## BEV Warranty

The Battle Motors 5-Year Powertrain Warranty is the best in the business and ensures confidence in our products and service.

This emission-related warranty covers a 5-year span or 100,000 miles, whichever occurs first.

All components whose failure would increase a vehicle's emissions of air conditioning refrigerants are covered, as well as the battery-electric power-train and related elements.

This warranty also cover parts, labor, and towing when performed by an authorized repair facility.
